

# Terms & Conditions

All Terms and Conditions apply without exclusion, once you have purchased the ticket(s) for yourself and/or your companions (herein referred to as you), for any tour or service provided by Gourmet Food and Wine Tours L.L.C. and our tour guides (herein referred to as Gourmet Food & Wine Tours L.L.C., we, us, and our.) The Tour referred to herein is (1) for physical tours, the duration between when our tour guide commences and concludes the Tour with you and/or your companions, for which you have booked a ticket(s), (2) for custom tours(3) for concierge services.

## Tour minimums and maximums

For all public tours, we have a minimum of 4 guests to operate starting autumn of 2024.

We will alert the guest at least 3 days ahead of time that they will have the option to :

1. Move to another available tour
2. Keep your tour, but make it private for an additional amount equivalent to two other people booking
3. Be fully refunded

## Coordination Fees for larger groups

*Due to the popularity of most of our restaurants and venues, coordination becomes more challenging as we get bigger groups. The following fees are correlated to the guest counts, but are only a one-time fee per the size of the group. If people are added last minute, it may jump up to the next level. Therefore, it could be that you are charged the remainder of what that group count is charged in the final balance.*

12-20 \$300

20-30 \$500

30-40 \$700

40-50 \$900

50-75 \$1200

75-100 \$2500

*\*Saturday Tours for Groups must pay an extra \$75 per person (April - November) if the number of the group is more than 8. For evening group tours, we charge \$50 extra per guest regardless of the number of guests or the time of year, as that charge is due to menu increases for dinner.*

## Food and Beverage Consumption

- All Food and Beverages consumed during the Tour or from our branded bag are from third-party establishments (i.e., restaurants, tasting rooms, cafes, markets, and other related food establishments). We play no role in procuring ingredients or preparing the food/beverages served. Hence, we are unable to take any responsibility for any sickness, illness, or injury caused to you or your companions as a result of visiting these establishments or consuming their food and beverages within.
- You understand, accept, and take full responsibility for the potential risks and hazards of consuming foods and beverages during the Tour.

### **Dietary Restrictions, Allergies, and Medical Conditions**

- You are required to let us know of any (a) dietary restrictions, (b) allergies, and (c) other medical conditions related to either walking or eating/drinking at the time of booking a ticket for the Tour.
- While there is no guarantee of our being able to accommodate any dietary restrictions, we will do our level best to do so.
- In the case of dietary restrictions or allergies, you must remind us of the allergy before consuming any food/beverage during the Tour, so that we can verify with the restaurant/food establishment regarding the ingredients.
- While we will do our level best to see that allergies that have been communicated to us are well taken care of, we cannot take any responsibility for any incidents resulting from allergies caused to you as a result of food or beverage consumption from third-party establishments during the Tour.
- In the case of any extreme allergies or medical conditions, we reserve the right to request you not to attend the Tour, and will refund the full price of the ticket booking.

- You understand and confirm that your participation in the Tours is completely voluntary.
- You have read and complied with the age restrictions on the Tour.
- You take responsibility for ensuring that you are mentally and physically capable of participating in the Tour.

- If in the opinion of the tour guide, your behavior or physical condition is detrimental to the safety, welfare and well-being of the group as a whole, or if we consider that your general well-being will be put at risk by continuing with the Tour, you may be asked not to participate in the Tour without the right to any refund of the price.
- You fully comprehend and accept all of the risks associated with your participation in the Tours, including, without limitation, injury or death resulting from exposure to unfavorable weather conditions, food sickness, allergic reactions, choking, and injuries arising from self-inflicted accidents or mishaps, other participants, motor vehicles, and pedestrians. You understand that the tours take place in public venues under conditions largely beyond our control.

### **Late Arrival Policy**

- **Public Tours:** Guests running late past the tour start time assume full responsibility for finding the group and joining the tour. The guide is not responsible for answering phone calls after the tour start time, for coordinating with any latecomers, or for providing missed information/food for guests who join after the tour has already started.
- **Private Tours:** For private groups running 10 to 20 minutes late past the stated tour start time, the guide may shorten the route at his/her discretion. The tour is automatically cancelled without any refund/rescheduling

options if the group fails to show up after 20 minutes have passed since the tour start time. In the case of a few latecomers in the group, the guide is not responsible for answering phone calls after the tour has commenced, nor for providing missed information/food for guests who join after the tour has already started. This policy applies regardless of whether the group has informed the guide of their running late or not.

### **Changes to the Tour Itinerary**

Please note that our tour routes and featured stops, including restaurants and other establishments, are subject to change. These changes can occur due to unforeseen circumstances such as lack of availability, closures, or operational adjustments at any of our planned locations. In the event of such changes, our team will adapt the tour to offer a comparable experience. However, we do not offer refunds due to these alterations, as they are beyond our control. We appreciate your understanding and flexibility, and are committed to ensuring you have a delightful and memorable experience with us.

### **Tour Participant Conduct**

- At all times during the Tour, you are expected to have consideration for your fellow tour participants and other third parties.
- For the benefit of everyone, we reserve the right to remove any participant whose conduct is deemed to pose a risk or nuisance to others. We will not refund or cover any costs or expenses incurred due to unacceptable behavior.

### **Ticket Booking and Payment**

- Prices quoted are in USD.
- To participate in our Tours, you must have an email confirmation from our team.

### **Tour Price**

- The tour price does include all Food and Beverages that the tour guide recommends and orders for the group at each food establishment throughout the tour, unless stated otherwise (on the tour page) at the time of booking the tour.
- **The tour price does not include any transport to the tour starting point or from the tour ending point, as stated on the website page for the Tour.**
- The tour price may or may not include any transport that the tour guide may use for the group during the tour (e.g., a shuttle bus might be used if tour stops are too far away from each other to walk the distance).
- The tour price does not include any items (e.g., Food and Beverages, souvenirs, etc.) that the tour participant may choose to purchase beyond what is already provided by the tour guide. In such cases, the tour guide will either collect the extra payment from the tour participant, or the participant may pay the third-party vendor directly on the tour.

### **Minimum Tour Attendance**

- Our public tours are subject to minimum bookings as stated on the tour page on our website. In the unfortunate event that we do not have the minimum tour group size, we may reach out for a cancellation at least a day before the tour and refund any payments made towards booking the tickets.
